People Developer Recognition

Your 2009 Global Employee Survey People Developer Report

Written Comments

You have been recognized for your commitment to developing Accenture's people.

The 2009 Global Employee Survey contained a People Developer section where anyone at Accenture could identify colleagues with strong people development capabilities. The following People Developer Report contains the feedback you received as a people developer. All feedback provided is confidential and anonymous. Only you are able to view this feedback.

If you choose you may share this feedback with your career counselor or supervisor. Thank you for your contribution to making our people's career experience exceptional.
